- DEBUTANTE BALL
- HOT GOSSIP TAVERNA NIGHT

PAST FUNCTION - COMPACT DISC TAVERNA NIGHT

Well, well, well there was one very excited GOSPYAN at the last Taverna Night. Many congratulations goes to John Alloizos for winning GOSPYA'S prize - a Sharp Compact Disc Player. Nobody more deserving could have won the prize. John came along early and waited for the compact disc to be drawn with his ticket in his hot, little hands. When he won, you really knew it too. He didn't actually sprint, but more, took one enormous leap over onto the stage. Everybody else watched on with a faint smile and threw away their useless tickets (better luck next time, folks).

HOT GOSSIP TAVERNA NIGHT**SUNDAY 4 OCTOBER**

As exams are fast approaching, GOSPYA will be having less functions in the months of October and November. The last Taverna Night before exams will be held at "Hot Gossip" - a relatively young and very chic night club. It is located in the heart of the city (around the corner from Jo-Jo's) on what was (before bulldozers killed it) the last segment of Albert Street, beside the Mall. This night will provide members with fun and excitement for one last time at a Taverna Night before all students crawl away into the woodwork to begin last minute cramming. Don't forget now, or you will miss out on this big night - **OCTOBER 4 AT "HOT GOSSIP" AT 7.30 P.M.!**

DEBUTANTE BALL**24 OCTOBER**

The final function before exams, and indeed, GOSPYA'S most prestigious function of the year is the Debutante Ball which is to be held on Saturday October 24. All attending will be served a delicious three course meal while watching the beautiful parade of debutantes greek dancing with their partners. This is a night of pure entertainment for all and much effort has been put into the preparations. The social committee can together take credit for the planning which has gone into this evening. We are now taking bookings, therefore, to do so, ring me (Luke Comino) on 848 1989 or Venesa Conomos on 398 8632.

FUTURE EVENTS

We are planning a day for a picnic later on in the year. We have a few ideal spots which cater for barbecues and softball games, volleyball games, sack races, etc. If anybody has any suggestions for locations these are very welcome. We are also planning a Tennis Day which is to be held, again, after exams.

I have been trying to organise a progressive dinner over the past few months. Everything is going great, however, as yet I have not received any phone calls concerning the dinner. Well again I call upon you all to ring me, or see me, if you wish to be part of this dinner. It is a very worthwhile activity.

Don't forget Fellowship on Friday Nights which is held from Friday the 2nd

GOSPYA

KEEPING COMPANY WITH THE BEST
